ABOUT ME

Front-end developer with a passion for programming and developing web and mobile applications. I am continually seeking new challenges and staying up-to-date with the latest technologies. I am highly motivated and results-oriented, with a strong work ethic.

Two years of experience in web and mobile development, including:

- **Developing websites with HTML, CSS, and JavaScript.**
- **Developing web applications using React.js and Node.js.**
- **Developing mobile apps with React Native.**
- **Building RESTful APIs with Express.js and MongoDB.**
- **Unit testing, integration testing, end-to-end testing.**
- **Version control Using Git to track changes in code and collaborate with others.**

I am also a team player with excellent communication and collaboration skills. I am eager to share my knowledge and contribute to the success of my team. I am also open to feedback and always looking for ways to improve.
